Dear Friends & partners,

We are excited to inform you that Oasis Marine Services Ltd. will be changing our name to Hostmost Marine Services (Canada) Ltd. effective immediately.

Please be assured that this is only a change in our trading name and there will be no changes to our banking information or daily operations.

Since 2014, Hostmost has established offices in Singapore and Philippines to expand our global presence by serving new and existing customers. Our decision to rebrand Oasis as part of Hostmost Group is to strengthen our growing service and sales network and to truly provide anytime, anywhere support through our global service network globalservice@hostmostgroup.com. All emails sent to our global service address will be received by all of our offices worldwide to ensure rapid arrangement for all your enquiries.

At this time, we would appreciate your cooperation to notify the appropriate departments and modify your records to reflect the change in our trade name to Hostmost Marine Services (Canda) Ltd. We can be contacted via canada@hostmostgroup.com, quebec@hostmostgroup.com, or globalservice@hostmostgroup.com. During this transition, our existing email address will still be active temporarily and we hope to retire Oasis Marine accounts by August 01, 2017.

While we do not anticipate any interruptions in our operation or support, please excuse any unforeseen hiccups and we will attend to these issues immediately.

Thank you very much for continuing your support to Oasis Marine as we transition to Hostmost Marine. We look forward to further opportunities to cooperate with you in the near future.

Should you require further information to facilitate our change in your system or any other questions, please contact canada@hostmostgroup.com or Tina Yang tina.yang@hostmostgroup.com.

Sincerely,
